Private Parties

The Swamp Fun Park provides a variety of fun interactive ways to host any type of event for personal, business or social groups. Whatever your desired outing may be, we can accommodate your needs.

Discover new ways of strategizing and solving challenges! Church groups and other organizations will have a great time while learning to build interpersonal trust and encourage communication.

Experience the new sensation in bachelor parties! Forget the overdone scene; remember your special day with the guys, with a paintball party at the swamp.

Want to impress your prospective or current clients? Enhance your business opportunities with a customer/client appreciation day and show them that their patronage to your establishment is much appreciated.

In need of a new twist to the same old company outing or picnic? The Swamp Fun Park Has just what your company needs! We offer corporate groups the opportunity to come out and experience one of the best team building exercises available. Paintball is a wonderful way to learn to work together in order to reach a teams goal and achieve victory! Employees will recharge, bond, and learn valuable skills in cooperation leadership, trust and communication. Paintball can help you attain that level of confidence your people need to perform their every day tasks.

A private party is great way to say "Thank you" to a special group of friends or an employee for a job well done.

Special events can be accommodated outside of normal operating hours and by reservation. All groups are closed private games. Your group will not be mixed with walk ons.

Call or email us for your next Special Event and see what we can do to make it even better.
